History, if it teaches anything, teaches and Globe of Thursday, 15th inst. It relates to rethe atmosphere of a porer clime than this. In the keep cent proceedings in the United States Senate: Mr. Powell-I will take this occasion to say boly and bright are lowes in His crown. Gentleness what I was about to say a moment ago, when I and truth, purity, charity and love, are the most accept was held not to be in order. It is not my purpose to enter again into a debate on this subject:
but it has been intimated that the remarks I made in regard to the Secretary of State were rather harsh. I admit that they were a little harsh, sir, but I verily believe they were true. I hold in my hand a letter written to me by a very distinguished gentleman of Kentucky, in which he recites an interview that took place with the Secretary of State concerning one of the prisoners from Kentucky, as given to him by Colonel Throop, a gentleman of very high standing, and I beg to read to the Senate an abstract from that

the ground everywhere. Altogether, Sandusky minated the grand army of Napoleon. Are we still a prisoner at Fort Lafayette, his brother-in-While Colonel Stanton, of this city, was WIRT ADAMS' CAVALRY REGIMENT.—We agency) Mr. Charles F. Mitchell, of Flemingscorrespondent of Seward's, to accompany him vate, seeking no office, but regarding the position of a (Throop) to Washington, to promote Colonel private as the most honorable in the army. He served Stanton's release. They were joined at Wash- and endured the hardships of the campaign in Western The Tensas cavalry, under the command of ington by Frederick Stanton, a brother of Virginia without a murmur, even whilst alesping in the Capt Harrison, with sixty men, captured forty prisoners, after a gallant fight. Especial mention is made of the gallantry of Capt Harrison and Lieut Bondurant.

In another engagement a squadron of cavalry. In another engagement a squadron of cavalry, erence to the Mayaville prisoners.
